RE: Case No. 2008-00252
Louisville Gas and Electric Company
(General Rates)
Filing Deficiencies

Dear Mr. Bellar:

The Commission staff has reviewed Louisville Gas and Electric Company's application in the above case. The filing is rejected for the reasons set forth below:

(1) Filing deficiencies pursuant to 807 KAR 5:001, Section 10(3)(b) – Present and proposed rates for each customer class to which change would apply.

The customer notice included in the application does not include the present and proposed rates for customer deposits which are proposed to be increased in accordance with proposed Electric Tariff No. 7, Sheet Nos. 102 and 102.1, and proposed Gas Tariff No. 7, Sheet Nos. 102 and 102.1. Your filing of a revised copy of the customer notice should include the dates upon which the first newspaper publication will be made, in each newspaper in which you give notice, to show compliance with the seven-day requirement set for in 807 KAR 5:001, Section 10(4)(c)3.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. You are requested to file 10 copies of this information within 15 days of date of this letter.

In all future correspondence or filings connected with this case, please reference the above case number. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Ryan Gatewood, Director
